Things to know:

Transportation Subway is \$2.75 **one-way** no matter the distance. Single trip tickets start at \$3 plus \$1 new card fee. You may put as much money on your metro card as you wish. We will use the subway to get to the Statue, 9/11, and Washington Square. Please purchase your metro cards the day we arrive.

Food Food can be expensive. Make note of portion sizes. Street vendors are very safe. Danny's deli next to the hotel. You can buy basics, buffet, or order from the grill. Food from buffet is "by the pound."

Weather Be prepared for rain. Bring an umbrella or buy a .99 poncho from Walmart. Wear comfortable shoes. You will walk a minimum of 5 miles per day.

Extra Shows TKTS office is ½ block from the hotel. Most shows can be purchased at a discount. Once you purchase a ticket keep the stub because you can get into the fast track line the rest of the week. They do take credit cards. Shows usually not available are Wicked and Lion King. Office opens at 10am for a matinee and 3pm for an evening performance.

Money It is best to bring a debit card to make most purchases. Cash can be used for food. Depending on how many shows you want to see I recommend bringing \$600.

Food before Fun!! Students, be wise with your money. Shop around before buying something. Lots of souvenirs to see before buying. Unless you are not in Times Square wait until Friday to purchase. Overspending early can cause your trip to sour very quickly.

Basics Be aware of your surroundings. If you are taking selfies/photos move out of the way from people.

Curfew is when Mr. Schlegel arrives back to the hotel. Usually 12-12:30am.

Only groups of 3, or more, may go somewhere. You must notify Mr. or Mrs. Price or Mr. Schlegel.

Bargains on the street should be avoided. Don't be surprised if it doesn't make it home.

North/South Short blocks are 1/10 mile. East/West Long blocks are 1/5 mile.

Get in and out of cabs from the curb. Slide over. Do **NOT** go into the street. Also take a picture of the cab number in case something is forgotten in the cab.

Pay attention crossing the street. **DO NOT** blindly follow someone into the street without looking.
